Thank you Todd,

I understand that not much has transpired in the last few months. These monthly progress reports are very useful for me, however, especially as I'm catching up on the history. Please do continue to send them along every month even if they say very little.

I'm organizing files and reading reports and I'll let you know if I'm missing anything.  
Looking forward to seeing the PDI Summary Report early next year!

Happy Holidays,  
Victoria

Hi Victoria,  
Nice to remake your acquaintance again. I hope the years since we last spoke have been well, and welcome to Ley Creek.  
Attached is a batch of monthly updates that I have been sitting on as there has not been a great deal of activity. Let me know if there are other documents that you would like new or your own copies of.

As for the PDI Summary report, we are expecting to have all of our data from the most recent and all previous investigations validated in the coming weeks, at which point we would have 90 days to submit the PDI Summary report. I would anticipate a compiled report being submitted very early Q2 2020.

Please let me know if you would like to discuss the schedule or any other Ley Creek items.  
Regards,  
Todd

Hi Todd,

Just wanted to send a quick hello. I have adopted the Lower Ley Creek Site and I look forward to working with you. Could you please update me on the monthly reports and the PDI report when you have a moment?

Happy Holidays!  
Victoria

Todd,

I am writing to inform you that Victoria Sacks will be taking over for me as Remedial Project Manager for Lower Ley Creek. I have included her on this email. Her phone number is 212-637-4297. I will still be available if any questions come up.

Can you please bring your monthly reports up to date? The latest one I received was for April 2019. Also let us know your submittal schedule for the PDI report.

Thanks and Happy Holidays,  
Pam
